OUR VISION

An international, inclusive and fun youth running program...

LED BY DEDICATED, LOCAL COORDINATORS

WHERE ALL KIDS CELEBRATE THEIR SUCCESS

AND DEVELOP AN ACTIVE, HEALTHY LIFESTYLE

OUR MISSION

Healthy Kids Running Series engages communities and families by providing an inclusive youth running experience, inspiring kids to believe in themselves and lead an active healthy lifestyle.

Join Us! Our local Community Coordinators are the heartbeat of our program, and we're always recruiting new team members who share our vision and drive. If you think that's you, here's what you need to know.

How We're Different: HKRS offers a turnkey program enabling local Community Coordinators the ease, content, direction and support to execute a Series for families and sponsors at a low cost that positively impacts their community.

How We're Better: HKRS' affordable, five-week running series is designed first and foremost for kids (ages 2-14), with age appropriate distances to ensure a fun yet challenging experience for participants and families.

Our Value: We offer a fun, inclusive hour-long race event that is focused on the kids, benefits our families and creates meaningful relationships in our local communities.

Our Goal: Continue to build a team with the same "Get Up and Go!" attitude we encourage in every child and inspire a contagious passion for positive change in every community we touch.
